- Please watch the following video a couple of times. Please note the passcode that you'll need to open it. The video contains the 'tea' video twice – the first time without subtitles and the second time with subs and with me, drawing attention to key or new language. When you are familiar and more confident with the content, look at the prompts on page 2 above and see if you can recall the vocab used.
- (Sorry about my video in the corner – I hope it doesn't distract you. I didn't know I was also recording myself!)
